BENTLEY ENVIRONMENTAL SERVICES & TRANSPORTATION INC  
PO BOX 601  
TAYLOR, MI 48180

**HAZARDOUS MATERIALS SAFETY PERMIT  
HM Safety Permit ID: US-194137-MI-HMSP  
Effective Date: June 21, 2019**

Dear JAMES S. BENTLEY:

The Hazardous Materials Safety Permit (HMSP) is verification of the motor carrier's permission to engage in the transportation of hazardous materials listed in 49 CFR 385.403 by motor vehicle in interstate, intrastate, or foreign commerce.

This HMSP will be effective beginning June 21, 2019 and remain effective through July 31, 2021 if your company maintains compliance with the requirements pertaining to the safe and secure movement of hazardous materials for the protection of the public (49 CFR 385 and other applicable Federal Motor Carrier Safety Regulations and Hazardous Material Regulations). Failure to maintain compliance will constitute sufficient grounds for suspension or revocation of this authority.

Willful and persistent noncompliance with applicable safety fitness regulations as evidenced by a Department of Transportation safety fitness rating less than "Satisfactory" or by other indicators, could result in a proceeding requiring the holder of this permit to show cause as to why this authority should not be suspended or revoked.

For questions regarding this document you may contact the FMCSA Hazardous Materials Division at 202-366-6121.

Sincerely,

Joseph P. DeLorenzo  
Director, Office of Enforcement and Compliance
